

Info Session

Investigator-led Call 2024

Endometriosis care themed call 2024

Friday June 7th 10am-12am

Online meeting

France Vrijens, Head KCE Trials, Welcome presentation

Agenda Information Session (7th June 10AM-12AM)

Subject	Presenter (all KCE)	Time
Please connect to meeting 5 min in advance		
Welcome	France Vrijens <i>Head of KCE Trials</i>	10 min
What is the scope of the KCE Trials Programme? Which trials do we fund? Criteria of the 2024 investigator-led call	Frank Hulstaert <i>Senior Researcher</i>	15 min
Background and criteria of the 2024 call for proposals on endometriosis care	Renate Zeevaert <i>KCE expert physician</i>	10 min
What are pragmatic Trials? What are patient-centred outcomes?	Leen Verleye <i>KCE expert physician</i>	25 min
Practical information on submission and selection procedure	Lisa Marynen <i>Call coordinator</i>	15 min
Q&A session	<i>All</i>	45 min

Practicalities

- No recording
- Slides available next week (mail)

Questions ?

- No content question in chat
- On content ? 5 min after each session
- On individual projects ? at the end
- Please raise your virtual hand and say who you are
- No time or not willing to share your question? Please first contact your CTC (and then us)

KCE TRIALS IN A NUTSHELL

2024

Specificities

- ✓ Pragmatic & practice oriented
- ✓ Comparative effectiveness (drugs, devices, surgery, physiotherapy, psychotherapy...)
- ✓ Drug repurposing
- ✓ Non-commercial
- ✓ Potential for return on investment
- ✓ Transparency and data sharing

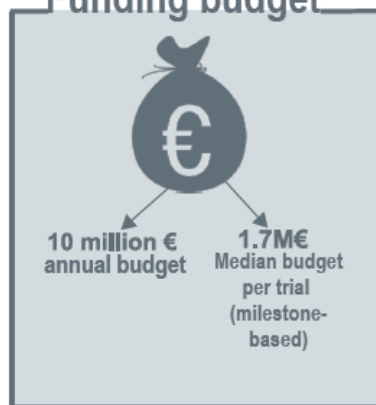

Quality support

- Sponsor capacity assessed for all trials
- Training for Clinical Trials Centres
- Coaching of funded teams
- External audits of ongoing trials

Calls for research proposals
